This report describes the influence of planets on your character and life. You may find repetitions or contradictions in the report which only show the interactive nature of various planets on your life.

Wealth, land and properties

Land and properties, wealth, family, speech, food and skills are some of the important topics highlighted by the second house in a horoscope.

As the 2nd lord is in the ascendant, there is little doubt that you ultimately make money. However, your relationship with your parents and siblings will be far from satisfactory. Even in youth, you will look beyond the home for comfort and pleasure. You may resent your parents and see them as barriers to your progress and happiness. In business, you must remain vigilant so as to avoid fraud. Your financial fortunes will rise and fall intermittently, and therefore cause you much worry. You are occasionally abrupt or rude to others.

Since Mars aspects the second lord, you can make a name in fields connected with law and justice.

It is interesting to note that Ketu is positioned with the second lord. You will be fond of mysterious stories and occult practices.

Property, Education etc.

The fourth house of your horoscope refers to property, education, mother, vehicles, and general happiness.

In your horoscope, the 4th lord is occupying the twelfth. You may tend to forgo happiness and other worldly possessions in search of spiritual goals. Your mother may especially require your constant attention and love. You may not have much business sense. You may face a number of problems in life, but do not let yourself become desensitized to other people's suffering.

As Saturn is the lord of the 4th house, even as a child, you will demonstrate your leadership capabilities. Friends and classmates will readily accept you as their leader. You may assume a position of group leadership. When you grow up, you will have the ability to govern, and may be a responsible administrator.

As Mars and Mercury influence each other in your chart, you are likely to do well in any field of study where there is scope for good reasoning. Analytical studies or research connected with scientific development will be most suitable for you.

It is seen that Mars is afflicted by other planets. Hence, take extra care in property dealings so as to avoid losses.

The lord of the fourth is in the exalted position and this indicates luck in education, and in domestic life.

Fortune, Prosperity, Inheritance etc.

In your horoscope, the lord of the 9th house is occupying the 9th itself. So you will be fortunate from birth. When you grow up, you will travel and earn money and distinction. Moreover, you will develop a charitable outlook as you get older. You will always be beloved by your father and you will gain from his affection.

Since the Moon is occupying the ninth, you will be fortunate and prosperous. You will have many children, friends and relatives. You will have a generous spirit and strong ethics.

It is significant that there is a beneficial influence of Jupiter on the 9th lord, and this reduces any other bad effects.

Income

The eleventh house mainly gives indications regarding income and sources of income.

As the 11th lord is in the 10th, you will do well in business and make a good profit. You can expect assistance from your older brother. You will win awards or prizes for your original contributions to your subject or field of study.

Since Sun occupies the 11th house, you will have powerful or influential friends. You will be optimistic and competent. Your father may endure difficulties. You will be long-lived.

Eleventh lord is in a Kendra position. Therefore, you will be able to enjoy wealth.

Gem Recommendation

Gems are wonderful creations of nature. Crystals have many special properties and find applications in scientific areas including electronics. Crystal oscillators, diodes, piezo-electric crystals etc. are examples. Gem stones are found in natural form in many shapes and colours. They differ in physical and chemical properties from one another. The stones are cut and polished to give the required beauty and shine.

From ancient times scholars have associated gems with planets, based on the colour and the effect that is produced by wearing the same. Not only the Indians but Chinese and Egyptians believed in the mystical and therapeutic qualities of gem stones.
