# Numerology Report

First Name : TAMIL SELVI  
Sex : Female  
Date of Birth : 11 July , 1996

Your personality characteristics, destiny and the planetary position at the time of your birth are closely interconnected. Scholars all over the world have undoubtedly established this fact. The decimal number system using digits 1 to 9 and zero is the universally accepted system and we use these numbers hundreds of times every day. However the numbers related to your birth and name have special significance for you. The hidden meanings in these numbers, can reveal your personality characteristics, as well as predict your fortune.

The 'Birth Number' derived from the date of birth and the 'Name Number' derived from the numerological equivalent of the letters in the name are the important aspects considered. The compatibility between 'Birth Number' and 'Name Number' is analysed. The numbers assigned to the letters of the alphabet are:

A, I, J, Q, Y = 1; B, K, R = 2; C, G, L, S = 3; D, M, T = 4; E, H, N, X = 5; U, V, W = 6; O, Z = 7; F, P = 8;

Number 9 is not assigned to any letter.

## Numerological Analysis of Name and Date of Birth

### Tamil Selvi

You are known by the above name. As far as you are concerned, this is the SOUND repeated most often. It is said by Indian scholars in numerology, who believe in magic incantations, that sound waves exert great influences on human lives.

- **Name Number (Nama Sankhya)**

Numerologists assign numeric values to every letter in the English alphabet. Thus each letter of your name has a value. The sum of these values is reduced to a single digit root number. This is taken as your name number. Please note how the calculations are made based on your name.

## Effect of Birth Number and Ruling Planet

---

There are only 9 important planets in our solar system. Similarly, there are only nine numbers by which all our calculations are made. All the other numbers are mere repetitions only. Each number is assigned to a planet, by experts in Occultism, Chaldean, Hindu, Egyptian and Hebrew.

The secret of Numerology is the mysterious law of vibrations. Your birth date can be reduced to a single digit key number. This number represents a planet. You and the planet attached to your number will have the same vibrations which lasts all through your life.

Your Birth Number is 2 .

The number 2 symbolizes the Moon. It has the feminine attributes of the Sun. Consequently you tend to make harmonious vibrations with people whose numbers are 1. You may have opposing characteristics of each other outwardly. You can be good companions of one another, since you vibrate well together.

You are gentle by nature. Further, you can be imaginative, artistic and romantic. You may not be as forceful as a number 1 person, in executing your plans. Consequently you may appear less aggressive, perhaps. Your capabilities are more on the mental plane, than physical.

It is possible that you may appear restless and unsettled at times. Due to one reason or other, you lack continuity of your plans and ideas. It would reflect, as if, you lack self- confidence. You are also inclined to be over sensitive to the reactions of others. An unhappy surrounding can easily make you despondent and melancholic.

## Effect of Birth Number and Name Number

---

Let us now look at the effect of the 'Birth Number' and 'Name Number' on your character and future.

To achieve the best possible results, these two numbers should be compatible. The general rule is that all the numbers affecting your life should be in mutual agreement with one another.

In your case, the 'Birth Number' and 'Name Number' are not compatible.

The 'Birth number' of a person is a fixed number, as his date of birth cannot be changed. But it is possible to change your Name Number by suitably adjusting the way you spell your name. Alternately you can adopt a totally new name and achieve a 'Name Number' more compatible with your permanent 'Birth Number'. Thus you can hope to achieve better efficiency in your performances. Such a change will produce very favourable results and set up entirely new vibrations. In turn your life will become more enjoyable. This has been experienced by many people.

Since your name starts with the letter T, it has special significance for you

You are ready for making personal sacrifices. You are capable of self denial, when required. You are ever ready to share with others the fruits of your efforts. You remain kind and favourable to others. You love to attain spiritual heights. You are anxious to satisfy your own ambition. At the same time, you try to bring happiness for others as well.

Your 'Birth Number' is 2. So you are sure to become popular. By nature, you are a gentle girl of mild disposition. You are imaginative and can enjoy abstract ideas and innate beauty, more than what you see before you. You are naturally fascinated by art and literature. Though a humanitarian at heart, you do not trust people blindly. Generally you exhibit more emotional strength than physical. However, occasionally, you may act as if you lack mental power and determination. Your vindictiveness and irritability may work as major hindrances for success. You are thoughtful and will fight for justice at any cost. The feelings of any unfairness will inflame you. On such occasions, it is natural that you lose your self-control. Or else, you may be disinterested or even indifferent. Alternatively, you may even be short tempered at times.

As you are born on 11th, you will be God-fearing. Your strong faith in God will save you from numerous crises situations that may come up from time to time in your life.

As you are born between June 21 and July 20, when the Moon is in its own sign, the above mentioned qualities will be experienced to a larger extent.

## Important Persons With Birth Number 2

Mahatma Gandhi, Lal Bahadur Shastri, Adolf Hitler, Napoleon, Nevil Cardez, Harindranath Chathopadhyay, Alec Guinness, Utpal Dutt, Ramanathan Krishnan, Moshe Dayan, Bob Hope, John.F.Kennedy, Maharana Prathap, Edmund Hilary, J.R.D.Tata, Gen.G.G.Bevur, Vinoba Bhave, Sophia Loren, Jayaprakash Narayan, Graham Green, Premjith Lal, Nana Deshmukh, Sidharth Shankar Ray, Minu Masani, Alexander Solshenitsin, Dileep Kumar, Thomas Edison, Khushwant Singh, Morarji Desai, Rukmini Devi, Arundhale, Sydney Poitier, Harold Wilson.

## The Effect of Fate Number and Compound Fate Number

---

In calculating your 'Fate Number', the MONTH and YEAR of birth are also considered whereas 'Birth number' is calculated from the Date of birth only.

The basic single fate numbers, 1 to 9, represent worldly aspects. This number denotes what you appear to be in the eyes of your friends, colleagues and those you deal with closely. But the double or compound fate numbers represent the hidden influences that play behind the scene. Your destiny or future can be better understood by analysing such compound numbers. So they are said to denote the spiritual aspects. Your birth number gives information about the physical and material side of your life. While the fate number reveals more of occult or spiritual side of your life. The findings based on your 'Compound Fate Number' are as follows:

Your 'Fate Number' is 7 and your 'Compound Fate Number' is 34. This number brings you strength gained through experience. You will learn a lot in life by observing the behaviour of people and the universe at large. No doubt, you will become successful. But you have to undergo a long period of strife and trials in your life. While planning your future, if this number appears, it is indeed a sign of fortune.

You may not experience any financial problems, as school girl. If necessary, you are capable of adopting even crooked ways to make money. But you know that what you earn by fair means only will last. Your love life may be spotted with problems. You are not sufficiently far-sighted. You will certainly gain, if you stick to a job long enough. You can expect only envy and suffering from your relatives. However, you will have at least a few sincere friends. As a mother, you will have to struggle, to make your family life happy.

## **The Effect of Name Number and Compound Name Number**

---

The sages of ancient India brought forth the theory for the first time, that letters of the alphabet are related to numerical figures. A theory popularized through the English language by Western Numerologists. Thus, each letter of your name spelt in English is assigned a numerical value. All these numbers are added to get your NAME NUMBER. One can predict your personality characteristics, on the basis of your Name Number and its Compound Name Number.

Since your 'Name Number' is 4 and 'Compound Name Number' is 31, you may take interest in astrology as well as medicine. You love an independent life. You are often a careless girl. But you are mentally strong. Hence victory and failure cannot make much impact in your mind. You will become a brave woman to do great things in life. You can take decisions in your husband's absence and execute them cleverly.

Number 31 makes you a thoughtful and logical person. You have the special mental ability for retrospection. So you will be upheld among your colleagues. You will not give any undue weightage for material success. Instead your concentration is on the development of mental faculties. Consequently, you may be either poor or rich. It does not matter to you personally. You are reserved and more self contained than many of your friends. You prefer to be lonely and remain isolated from your co-workers. This number does not promise much of worldly fortune for you.

## **Married Life**

---

You are most likely to marry a man whose 'Birth Number' is 7. If such a marriage takes place, it will be a success. It is also possible that a husband governed by 'Birth Number' 3 or 6 also will bring you fortune.

## **Health**

---

You are advised to be careful not to get affected by indigestion or diabetes. You can control these ailments with moderate dieting from the very beginning. Plan your food rather than eating just anything. You are susceptible to eye ailments frequently. You should drink plenty of water, or else you may get infectious diseases. You should take precautions against jaundice and ulcers. Include vegetables, cabbage, cucumber and fruits in your diet. However, you must control your tendency to overeat. Take special care of your health during the months of January, February and July. During these months, you must avoid unusual hard work. You are advised to be watchful of your health, at the ages of 20, 25, 29, 43, 47 and 52.

## Profession

---

You will no doubt succeed in politics and law. Besides, music literature, dance, acting, painting and fine arts may help you achieve success, if you make a serious attempt. You can become successful by being in the printing and publishing, textile or jewellery business. If you take up a job, it is likely to be related art, directly or indirectly.

## Remedies

---

The purpose of the study of Numerology report is to analyse and understand how to improve your personal effectiveness in real life situations. The following guidelines will be useful for you.

## Favourable Days

---

Your 'Birth Number' is 2. This is the most significant date for you. Any appropriate series of this number as well as other numbers harmonious with 2 can also be utilised as good dates. Therefore, the dates good for you are 1, 2, 6, 7, 10, 11, 15, 16, 19, 20, 24, 25, 28 and 29. Chose only these dates for important matters:

As your 'Birth Number' is 2, the best days of the week for you are Sunday, Monday and Friday. When you fix dates for vital matters, remember to consider these days first.

Find out the exact dates which satisfy both these conditions. (ie. good date as well as day of the week). Give top priority to carry out your most important plans and ideas on these days only.

## Harmony of Numbers

---

The numbers affecting your life are, 'Birth Number', 'Fate Number' and 'Name Number'.

In your case they are 2, 7 and 4

Remember that other numbers in harmony with your 'Birth Number' are 1 and 5. Also, the letters B, K, R are good for you.

As far as possible all your numbers should have the same vibrations as your "Birth Number", in order to produce harmonious and effective vibrations. Or else, there may be a clash of numbers affecting your life, thereby resulting in poor performance.

You should make all possible efforts to stay in a house or travel in a vehicle. Ideally the number of your house or vehicle should vibrate with your favourable number. If the number of your house or vehicle cannot be changed due

to other reasons, you can evolve suitable names for your house and vehicle, which produce vibrations.

It is desirable that the name of the town, city or country where you stay should also produce the same harmonic vibration as that of your Birth number.

## Compatibility with Others

---

Since your 'Birth Number' is 2, your lifetime associates must be those whose 'Birth Number's is 3, 6, 8 or 9. It would be good, if you could remember this fact when you enter into business partnership and marriage alliance.

## Favourable Colours

---

Make sure you dress yourself in colours most favourable for you. Green is your lucky colour and white is good for you. But red and black are not generally in your favour. Your favourable colours, have an excellent effect on soothing your nerves. You will also be able to rest and sleep better in rooms having your own recommended colour shades.

## Music

---

Number and music show very decided affinities. Listen to the kind of music that stimulates and energizes you.

Since your 'Birth Number' is 2, you should listen more to string and wind instruments such as violin, cello, harp and pipe.

## Favourable Directions

---

The abode of the MOON, ruler of your 'Birth Number' 2, is NORTH. When you set out for anything, you are advised to first take a few steps Northwards, bearing in mind the significance of the Moon before you proceed to your destination. Your important decisions must be taken while facing North. This will no doubt bring you luck. Also, see that your work table is placed in the same direction. If so, intellectual power and concentration will increase tremendously.

## Prayers and Mental Tuning

---

Since your 'Birth Number' is 2, you should seek the blessings of MOON, the Lord of your number. You can enjoy peace of mind, if you worship the Moon, especially on Monday, the day of the Moon. Your prayers and meditation on this day will bring you better results. It is advisable to take important decisions on the days when the Moon is strong.

It is believed that the worship of Durga, the goddess of the Moon and prayers offered at the Durga temple will help you fulfill your desires. You may practice this, depending on your religious faith. Alternatively, if you chant your prayers and meditate in silence on the full-moon night, you will find amazing solutions to your problems. This can be effectively practiced, irrespective of your religious inclinations.

The effectiveness of your Birth Number can be further improved by suitably employing your inborn capabilities. You are clearly bestowed with the power of concentration of your mind. This can be developed to any level, depending on your determination. You should also grasp the meaning and symbolism of your 'Birth Number'. You should think and emotionally attempt to merge with your number and the symbol. In effect you should identify yourself with your number. In time, you will become part and parcel of your number. This aspect of the science is well developed during the ancient Indian culture. As a result our learned Gurus have developed mantras and poojas, with the repetition of the names of Gods and Goddesses, to facilitate your personal power of concentration.

Await eagerly the date you have fixed for action, based on the guidelines here. Focus your mind on the programme and go do not hesitate. Head straight to your topic and do the job well.

As you begin to follow these suggestions, donot expect to find any dramatic change in your luck instantly. Change is a slow process, which requires patience and determined effort. With confidence, you are sure to succeed and become more effective in your dealings.
