Varsha Phal

The sun transits one circle of 360 degrees of the zodiac in a whole year. To analyse the results for a specific year of your life, a horoscope is cast for the time when the Sun in transit reaches exactly where it was at the time of your birth. This horoscope is used to predict events and foretell your life for that particular year. The annual or progressed horoscope is similar to that of the Siderial Solar Return chart in Western Astrology.

Varshaphal is also known as the Tajaka or Tajik system of astrology. Of the many writers, Nilakanta and Kesava are the two great authors who have written elaborately on the Tajik system.

The annual horoscope analysis and predictions given here are based on the principles of the Tajik system. The point called Varshapravesh, is the entry into the new year and has great significance. This is calculated as per the elaborate methods suggested in the ancient texts. The day of the week of your birth, is also considered for Varshapravesh. Apart from the ascendant in the annual chart, called Varsha Lagna other important influences analysed are that of the Muntha, the Lord of Muntha and the Lord of the year.

There are wide differences in rules, for judging a horoscope under the Parasara system and the Varshaphal. The set of rules for aspects and combinations in the two systems are distinct. The strength of the planets are ascertained by Panchavargiya Bala rather than Shadbala, as in the Parasara system.

In the foregoing analysis, you can see that the effects of various factors are sometimes contradictory and at times reinforcing. While some unfavourable influences are neutralised by favourable factors, often you will experience all these at least partially at sometime during the year. An overall judgement of the year ahead is given at the end of each annual forecast.

Please remember that the Varshaphal period covers an entire year from the day of Varshapravesh, which is approximately from one birthday to another.

The predictions given here are indications of the fortunes ahead and you can surely surmount any hard times, by your diligence, will-power and the grace of God.

Forecast from 1-January-2024 to 2-June-2024 Year : : 30

Monthly prediction

The following monthly predictions are made by considering the current position of the Sun and Jupiter with reference to the Moon in your birth chart. The Sun travels through a zodiac in around a month, while Jupiter takes about a year. Though the effect of Sun transit is considered generic, we have personalised the predictions further by calculating the Sarvashtakavarga points in the rasi through which Sun is transiting. Ashtakavarga plays a significant role in transit predictions, and it uses a system of points based upon planetary positions in your birth chart. This monthly report is a combination of the effects of both the Sun and Jupiter and will guide you to have a better year.

| 27 | | | 31 |
| 27 | 26 | 32 | 26 |

15-1-2024 >>>> 13-2-2024

Transiting Rasi of Sun : Makara (Sarvashtavarga Points : 27)

Transiting Rasi of Jupiter : Mesha

This is a transit to focus on your collective projects and friendships. There are some chances to get into a new project, but you should not be in a hurry to start that. They can be from personal and professional domains. Occasional financial gains can come up, but that will be rare, so you should not take any risk with your career as well as finances. This is a very sensitive time for risky business, so you should take expert opinion before doing such things. Arguments may ruin friendships and long-term projects as well. Ego clashes will also come up and you should control your ego.

13-2-2024 >>>> 14-3-2024

Transiting Rasi of Sun : Kumbha (Sarvashtavarga Points : 33)

Transiting Rasi of Jupiter : Mesha

Your communication skills, confidence and self-esteem, would increase in this period. Your enemies might fall, and you can achieve success. Yet, you may focus on remaining free and peaceful. You wouldn't be mentally prepared for any open clashes. Avoiding such situations will keep you happy too. You may get material comforts much more than what you expect. Your finances would go well. Unexpected events in professional matters can happen. Family members will be supportive, and the home environment will be peaceful. You might join a new course. This period is also good for recreational trips. You may feel a spiritual drive and would go in search of ultimate peace. Minor stomach and eye-related discomforts can happen now.

14-3-2024 >>>> 13-4-2024

Transiting Rasi of Sun : Meena (Sarvashtavarga Points : 30)

Transiting Rasi of Jupiter : Mesha

There shall be some purification in your life! Your positivity, confidence and self-esteem would increase in this period. Your communication skills will also improve. You can expect victory over your enemies. Understanding some realities lets you refine yourself. You may face some issues related to your health and relationships. Avoid the arguments and do not do anything that tarnishes your reputation. There shall be peace and happiness in your family life. You can expect an increase in finance and material comforts too. This is not a good time to establish new relationships and share your secrets. You may join a new course or study something new. You should take up a new health care regime and follow it strictly

13-4-2024 >>>> 14-5-2024

Transiting Rasi of Sun : Mesha (Sarvashtavarga Points : 30)

Transiting Rasi of Jupiter : Mesha

Your confidence, self-esteem and communication skills would increase in this period. If your ego gets heightened, then it would disturb the otherwise peaceful home environment. It can spur arguments with your dear ones. Developing your skills or doing something productive is the best thing you can do in this period. You will have its benefits later. There can be an increase in finance and material comforts. But, your family might encounter financial challenges too. Focus on saving money. Your family will be supportive and you can overcome the challenges gradually. You should beware of tricky people who come up with financial schemes. You can win over your enemies in this period. It's a good time to join a course or study something new. Take care of your health, especially the facial organs.

14-5-2024 >>>> 15-6-2024

Transiting Rasi of Sun : Vrishabha (Sarvashtavarga Points : 33)

Transiting Rasi of Jupiter : Vrishabha

You may get filled with optimism during this period. You would start reaping the benefits of your hard work. There can be good progress in finance and career. If you wish to strengthen any relationship, that would also be possible in this period. Do not let these positive signs raise your optimism too high. Too much optimism will deceive you; so, always be practical. Another good aspect of this period is that it will let you think. You should direct all your thoughts towards the brighter side of your life. You may tend to fight for the unfortunate and may win it. The courage you show will be appreciated, and people might support you.

15-6-2024 >>>> 16-7-2024

Transiting Rasi of Sun : Mithuna (Sarvashtavarga Points : 20)

Transiting Rasi of Jupiter : Vrishabha
